Eleventh International Conference on Digital Information & Web Technologies (ICADIWT 2020)

Thessaloniki
November 09-11, 2020
https://www.socio.org.uk/icadiwt/

The Eleventh International Conference on the Applications of Digital Information & Web Technologies (ICADIWT) has travelled along 3 continents (America, Asia, Europe): from Bangalore (2019), Juarez City (2017), Keelung (2016), Hong Kong (2015), Chennai (2014), Stevens Point, WI (2011), Ayia Napa (2012), Istanbul (2010), London (2009) to Ostrava (2008).The 11th ICADIWT organization will take place at Thessaloniki, the second largest city of Greece.

Research in Digital Information is a long lasting continuum of efforts in many directions, Web technologies being a mature field of profound impact. Notably, many researchers address application issues not necessarily limited to computing technologies in a narrow sense. ICADIWT'2020 is a forum for researchers to present innovative ideas, developments and applications in the areas of Applications of Digital Information & Web Technologies. ICADIWT'2020 will include presentations of contributed papers and state-of-the-art lectures by invited keynote speakers, focusing in the following topics (but not limited to):

- Internet Communication
- Internet Technologies
- Web Applications
- Internet Software
- Data Access and Transmission
- Digital Communication Software
- Digital Networks
- Web Communication Interfaces
- Adaptive Systems
- Internet of Things
- Internet of breath
- Augmented Reality
- Intelligent Agent systems
- Semantic Web Studies
- Adaptive Web applications and personalization
- Actuators and sensors
- Robotics and Machine Vision
- Vibration and noise control
- Smart cities and structures
- Control and Automation
- Human-machine interfaces

Real-time simulation

Submission, proceedings
Papers must be submitted online through EasyChair. All accepted papers will appear in the conference proceedings published by Springer LNCS series. Author instructions along with LaTex2e (preferred) and Word macro files are available at Springer's Information for LNCS Authors page (http://www.springer.com/computer/lncs?SGWID=0-164-6-793341-0). Submitted papers should not exceed 14 pages (long papers) and 8 pages (short ones), including figures, tables and references. Authors of accepted papers are required to transfer their copyrights to Springer. For a paper to appear in the proceedings, at least one of the authors MUST register for the conference by the camera-ready submission deadline with a full registration.

Venue
The venue is a 5* hotel, Grand Hotel Palace, https://www.grandhotelpalace.gr/en

Important Dates

29 June 2020:	Full papers submission
24 August 2020:	Notification
7 September 2020:	Camera readies and registration

General Chairs
Richard Chbeir, Univ Pau & Pays Adour, France
Jolanta Mizera-Pietraszko, Opole University, Poland

Program Chairs
Yannis Manolopoulos, Open University of Cyprus, Cyprus
Pit Pichappan, Digital Information Research Labs., UK

Workshop Chair
Spyros Sioutas, University of Patras, Greece

Publicity Chair
Anastasios Gounaris, Aristotle University of Thessaloniki, Greece
