The Tenth International Conference on the Applications of Digital Information and Web Technologies (ICADIWT 2019) is a forum for researchers to present the intensive and innovative research, ideas, developments and applications in the areas of Computer Communications, Communication networks, Communication Software Communication Technologies and Applications, and other related themes.

This conference (ICADIWT Edition IX) will include presentations of contributed papers and state-of-the-art lectures by invited keynote speakers. Digital Technologies is embedded in the research activities of large number of people and it ensures the Ubiquitous reaching of more number of people in the recent years. Research in digital technologies has been carried out in many directions using various resources and tools and on the other side, the application issues are addressed by more volume of researchers not necessarily limited to information and computing technology. Thus the proposed conference series realize its value and potential and manifest the requirements in the form of the international conference. This edition will address the following outlined themes (but not limited to).

Internet Communication  
Internet Technologies  
Web Applications  
Internet Software  
Data Access and Transmission  
Digital Communication Software  
Digital Networks  
Web Communication Interfaces  
Adaptive Systems  
Internet of Things  
Internet of breath  
Augmented Reality  
Databases and applications  
Web Systems Engineering Design  
Intelligent Agent systems  
Semantic Web Studies

Actuators and sensors  
Robotics and Machine Vision  
Vibration and noise control  
Smart cities and structures  
Control

Automation  
Human-machine interfaces  
Real-time simulation  
Digital Technologies for Mechanical and other designs

### **Publication and Indexing**

The accepted full papers will be published in the IOS series (Frontiers in Artificial Intelligence and Applications (FAIA)) and submitted for inclusion in many indexes. Accepted full papers will be submitted for indexing to multiple abstract and indexing partners. The papers will be indexed in many databases as given at <http://www.frontiersinai.com/?q=indexing>

The accepted papers will be published as a post-conference publication. During the conference, the pre-conference volume will be distributed.

The previous ICADIWT proceedings are indexed in Web of Science
