CONFERENCE NOTIFICATION

Ninth International Conference on Digital Information Management (ICDIM 2014)
September 29- October 01, 2014
Pibulsongkram Rajabhat University
Phitsanulok, Thailand

Following the successful earlier conferences at Bangalore (2006), Lyon (2007), London (2008), Michigan (2009) , Thunder Bay (2010), Melbourne (2011), Macau (2012) and Islamabad (203) the ninth event is being organized at Bangkok, Thailand in 2014. The International Conference on Digital Information Management is a multidisciplinary conference on digital information management, science and technology. The principal aim of this conference is to bring people in academia, research laboratories and industry together, and offer a collaborative platform to address the emerging issues and solutions in digital information science and technology. The ICDIM intends to bridge the gap between different areas of digital information management, science and technology. This forum will address a large number of themes and issues. The conference will feature original research and industrial papers on the theory, design and implementation of digital information systems, as well as demonstrations, tutorials, workshops and industrial presentations.

The 9th International Conference on Digital Information Management will be held onSeptember 29- October 01, 2014 at the Pibulsongkram Rajabhat University, Phitsanulok, Thailand.

The topics in ICDIM 2014 include but are not confined to the following areas:

• Information Retrieval
• Data Grids, Data and Information Quality
• Temporal and Spatial Databases
• Data Warehouses and Data Mining
• Web Mining including Web Intelligence and Web 3.0
• E-Learning, eCommerce, e-Business and e-Government
• Natural Language Processing
• XML and other extensible languages
• Web Metrics and its applications
• Enterprise Computing
• Semantic Web, Ontologies and Rules
• Human-Computer Interaction
• Artificial Intelligence and Decision Support Systems
• Knowledge Management
• Ubiquitous Systems
• Peer to Peer Data Management
• Interoperability
• Mobile Data Management
• Data Models for Production Systems and Services
• Data Exchange issues and Supply Chain
• Data Life Cycle in Products and Processes
• Case Studies on Data Management, Monitoring and Analysis
• Security and Access Control
• Information Content Security
• Mobile, Ad Hoc and Sensor Network Security
• Distributed information systems
• Information visualization
• Web services

• Quality of Service Issues

• Multimedia and Interactive Multimedia

• Image Analysis and Image Processing

• Video Search and Video Mining

• **Proceedings**

- All the accepted papers will appear in the proceedings published by IEEE.
- All papers will be fully indexed by IEEE Xplore.
- All the ICDIM papers are indexed by DBLP.

Modified version of the selected papers will appear in the special issues of the following peer reviewed journals.

1. Journal of Digital Information Management (JDIM)
2. International Journal of Web Applications (IJWA)
3. International Journal of Information Technology and Web Engineering (IJITWE)
4. International Journal of Emerging Sciences (IJES)

Submissions at http://www.icdim.org/submission.html

Workshop proposals. Tutorial proposals	March 31, 2014
Notification of workshop and Tutorial	April 15, 2014
Full Paper Submission	July 05, 2014
Notification of Authors	August 05, 2014
Registration Due	September 01, 2014
Camera Ready Due	September 15, 2014
Workshops/Tutorials/Demos	September 30, 2014
Main conference	September 30-October 01, 2014

Program Committee

Following are the respected members of the ICDIM 2014 program committee:

General Chair

Sakorn Soisungwan, Pibulsongkram Rajabhat University, Thailand

Organisation Chair

Khongsak Srikaeo, Pibulsongkram Rajabhat University, Thailand

Program Chairs

Buncha Samruayruen, Pibulsongkram Rajabhat University, Thailand Pitak Youmee, Pibulsongkram Rajabhat University, Thailand Varaporn Suepraditkul, Pibulsongkram Rajabhat University, Thailand

Program Co-Chairs

Chanikarn Koomnok, Pibulsongkram Rajabhat University, Thailand Kamolthip Dejaplakrom, Pibulsongkram Rajabhat University, Thailand Hathairat Ketmaneechairat, King Mongkut's University of Technology North Bangkok, Thailand

First International Conference on Future Generation Information and Communication Technology (FGICT 2014)
September 08-10, 2014
Misurata University, Libya

The increasing globalization and science and technology growth is fuelled by a number of Information Technology (IT) infrastructures and applications. The challenges as well as opportunities co-exist in the current IT dependent world.

At the brink of the new millennium, emerging trends in the Information Systems, Internet and in the Data/Information world have profound impacts on how organisations design and deploy its IT solutions. The proposed conference is planned to address the issues, solutions and future of the systems and technology applications. The conference will be marked by the presence of invited keynotes, special talks, tutorials, exhibition and demonstrations.

The papers are solicited which address the following research but not limited.

♣ Information Retrieval
♣ Data Grids, Data and Information Quality
♣ Temporal and Spatial Databases
♣ Data Warehouses and Data Mining
♣ Web Mining including Web Intelligence and Web 3.0
♣ E-Learning, eCommerce, e-Business and e-Government
♣ Natural Language Processing
♣ XML and other extensible languages
♣ Web Metrics and its applications
♣ Enterprise Computing
♣ Semantic Web, Ontologies and Rules
♣ Human-Computer Interaction
♣ Artificial Intelligence and Decision Support Systems
♣ Knowledge Management
♣ Ubiquitous Systems
♣ Peer to Peer Data Management
♣ Interoperability
♣ Mobile Data Management
♣ Data Models for Production Systems and Services
♣ Data Exchange issues and Supply Chain
♣ Data Life Cycle in Products and Processes
♣ Case Studies on Data Management, Monitoring and Analysis
♣ Security and Access Control
♣ Information Content Security
♣ Mobile, Ad Hoc and Sensor Network Security
♣ Distributed information systems
♣ Information visualization
♣ Web services
♣ Quality of Service Issues
♣ Multimedia and Interactive Multimedia
♣ Image Analysis and Image Processing
♣ Video Search and Video Mining

Selected papers after modification will be published in the following reviewed journals.

Journal of Computer and System Sciences/ (ISI/Scopus)
Journal of Digital Information Management (Scopus/EI)
International Journal of Computational Science and Engineering (Scopus and EI Indexed)
Decision Analytics
International Journal of Big Data Intelligence
International Journal of Applied Decision Sciences (Scopus/EI)
International Journal of Management and Decision Making (Scopus/EI)
International Journal of Strategic Decision Sciences
International Journal of Enterprise Information Systems (Scopus/EI)

Important Dates

Submission of Papers:	**June 20, 2014**
Notification:	**July 20, 2014**
Camera Ready:	**August 20, 2014**
Conference Dates:	**September 08-10, 2014**

General Chair

Yousef Ab uzawayda, Misurata University, Libya

Program Chairs

Pei Ling Lai, Southern Taiwan University of Science and Technology, Tainan, Taiwan
Ricardo Rodríguez, Technological University of Ciudad Juarez, Mexico

Program Co-chairs

F.C. Abdullayeva, Institute of Information Technology ANAS, Azerbaijan
