

The Eleventh International Conference on Digital Information & Web Technologies (ICADIWT 2020)

Thessaloniki

November 09-11, 2020

<https://www.socio.org.uk/icadiwt/>

The Eleventh International Conference on the Applications of Digital Information & Web Technologies (ICADIWT) has travelled along 3 continents (America, Asia, Europe): from Bangalore (2019), Juarez City (2017), Keelung (2016), Hong Kong (2015), Chennai (2014), Stevens Point, WI (2011), Aya Napa (2012), Istanbul (2010), London (2009) to Ostrava (2008). The 11th ICADIWT organization will take place at Thessaloniki, the second largest city of Greece.

Research in Digital Information is a long lasting continuum of efforts in many directions, Web technologies being a mature field of profound impact. Notably, many researchers address application issues not necessarily limited to computing technologies in a narrow sense. ICADIWT'2020 is a forum for researchers to present innovative ideas, developments and applications in the areas of Applications of Digital Information & Web Technologies. ICADIWT'2020 will include presentations of contributed papers and state-of-the-art lectures by invited keynote speakers, focusing in the following topics (but not limited to):

- Internet Communication
